The internal audit took place on 27th & 28th April. I have carried out an internal audit of the Council's records in accordance with the Council's requirements and under the guidelines of Governance and Accountability for Local Councils.

This work has been carried out on a sample basis so as to provide an assessment of compliance with the relevant policy and controls that are expected to be in operation during the above financial year. The audit has covered the work carried out by the Clerk to the Council in the execution of her duties ensuring that all relevant regulations have been met and the Council's resolutions have been carried out in a proper and timely manner.
