**04/21 County Cllr & District Cllr Updates
Derbyshire County Council (DCC)**

Cllr Bull sent an update via email: *Happy new year to you all. Please give my apologies for the meeting and let me know if you have any problems. Also please send me any updates on outstanding issues from previous meetings and any further problems with flooding due to the new roundabout.*

Derbyshire Dales District Council (DDDC)

There was no response from Cllr Shirley.

05/21 Highways / Rights of Way

Update on jobs reported to Highways

F721447 - Cattle grids, Ladyhole Lane - the Clerk reported that the job has been added to the work list by DCC Highways.

Request for a tarmac bus stop opposite Yeldersley Hall – There has been no response from DCC's Public Transport Team, who were waiting for a response from Highways.

Action: Clerk to follow up with Cllr Bull

Jobs for reporting to Highways

No jobs reported by Cllrs.

Traffic Survey

The Clerk asked if Cllrs wished to send a Parish Council response to the Traffic Survey sent out by The Derby and Derbyshire Road Safety Partnership. It was agreed that Cllrs would send individual responses as residents.

06/21 Items for reporting to Rights of Way

F690383 – damage to the footbridge, Osmaston FP8 and Yeldersley FP2 - the Clerk reported that the job is still listed as awaiting investigation.

F760004 – missing footpath / bridleway markers – Yeldersley BW3 and Yeldersley FP1 and FP2

The Rights of Way Officer reported that: The Council will signpost public rights of way where they leave the roadside, please do not hesitate to report any missing signposts on our online reporting facility at:

<https://apps.derbyshire.gov.uk/applications/do-it-now/fault-on-pavement-or-path.asp>

We currently only waymark paths where it is difficult for users to follow the Ordnance survey map, I wouldn't advise erecting yellow markers on a public bridleway, as yellow arrows indicate a public footpath, blue arrows are used on public bridleway which can be used by walkers, horse riders and also cyclists. I wouldn't normally install a waymarker post in the middle of field as they can be damaged by agricultural machinery and livestock.

07/21 Airfield Development Progress

Flooding – Cllr Millward advised the DCC Officer overseeing the site works that a temporary pipe should be put in to divert water away from the houses. A temporary pipe has now been installed from the airfield to the ditch by the bus stop, Cllr Millward said this seems to have helped. Cllr Millward says that DCC seem to be making an effort to manage things. Cllr Hall proposed that Cllr Millward should be the Parish Council contact with DCC and the developers as they are close to the site and can respond quickly. Cllrs Millward said he was happy to do it. Cllrs Wright, Moseley, Naylor and Cranstone approved and the motion was carried.

08/21 Update - Vital Earth (VE)

Cllr Naylor reported that the lights have been turned down as far as they can go. Parishioners have confirmed that this is an improvement. There has been nothing from VE regarding meetings.

14/21 Update: work on Osmaston Estate Copse, A52

Cllrs have received several queries regarding the tree felling at the Osmaston Estate Copse. Some parishioners were unhappy at mature trees being removed and others asked if it was to do with the airfield development. Cllrs and the Clerk have been in contact with DDDC, DCC and the Estate. Neil Hogbin of Fisher German (land agents for the Estate) confirmed that the Estate had applied for a felling licence from the Forestry Commission which was granted. DDDC confirmed that there was not a Tree Preservation Order on the copse and that a condition of this scale of tree felling was replanting. The Estate and DCC confirmed that the tree felling has nothing to do with the airfield development. This was confirmed by Neil Hogbin, who also explained that the Estate would be planting more trees and creating a wood – see tree planting map below.

The map can also be viewed on the Parish Council website and Osmaston and Yeldersley Parish Noticeboards. Tree protection orders are applied by DDDC, not DCC, as they come under Planning. Cllr Hall asked Cllrs if they would like the Clerk to write to the Estate expressing support for the tree planting, as it will shield the village from A52 traffic and noise, but that the PC would have appreciated prior knowledge of the application in order to allay parishioners' concerns. Cllrs approved the proposal.

Action: Clerk to write to the Estate
